The Utah Procurement Code provides that a procurement may be made without competition when there is only one source for the required supply or service. Therefore, a "sole source" procurement is justified if there is only one product or service that can reasonably meet the state's need and there is only one vendor who can provide the product or service.

The Division of Purchasing has received a request to make the following sole source procurement.

Requesting Agency: **DCED-Library**

Product and/or service to be purchased: **ProQuest Factiva Database Subscription**

Proposed Sole Source Supplier: **ProQuest**

Sole Source Justification: **Only comprehensive database that includes full-text coverage of Wall Street Journal, other publications and detailed information on public and private companies.**

If for any reason any party does not agree with the proposed sole source procurement, please email **Nancy Orton** in the Utah Division of Purchasing at **nancyo@utah.gov** prior to the "Due Date for Comments" indicated above.
